(Mark Lee) Effects of oil and gas production on ambient air quality in California (David Gonzalez) Extreme Heat, Social Context, and Birth Outcomes in the United States (Ethan Raker)
10:30AM - 11:45AM MDT Podcast Format	Educational pathways to health Session Chair: Jarron Saint-Onge, University of Kansas Educational disparities in disability incidence: The contributions of excess BMI, smoking, and manual labor involvement (Tarlise Townsend) Complicating Educational Disparities in Health: Variations by Race/ethnicity and Characteristics of Early Life Counties (Taylor Hargrove) An upstream view of higher education as an institution with complex effects on population health (Anna Zajacova)
12:00PM - 1:00PM MDT	MENTORING ROUNDTABLES Live Session in Breakout Rooms (Pre-Registration is required)
1:00PM - 2:45PM MDT	PLENARY SESSION
1:00PM - 1:30PM MDT 1:30PM - 2:45PM MDT Live Q&A	Policies, Profits, and the Public's Health Presidential Address: Frederick Zimmerman, University of California, Los Angeles Moderator: Jennifer Karas Montez, Syracuse University Protecting Public Health in the Face of Real and Manufactured Scientific Uncertainty (David Michaels) Why business should care about community health (Greg Fairchild)
3:00PM - 4:15PM MDT	ABSTRACT CONCURRENT SESSIONS
3:00PM - 4:15PM MDT Traditional Format Live Q&A	Population Health in Rural Places Session Chair: David Kindig, University of Wisconsin-Madison Defining Rurality: Rural Culture's Role in Rural Health (Evangeline Warren) Cancer perceptions and self-reported mammography use among rural and urban women (Jennifer Bird) Addressing Social Determinants of Health in Rural America: Lessons Learned from Critical Access Hospitals (Tongtan Chantarat) Local Public Health Engagement with Healthcare Providers for Coordinating Population Health Improvement Efforts: Differences between Rural and Urban Areas (Tami Swenson)
3:00PM - 4:15PM MDT Traditional Format	The Roles of Stigma and Vulnerability in Health Care Access and Services Session Chair: Julia Wolf, West Virginia University Barriers to gynecologic healthcare among people incarcerated in a women's prison: A content analysis using electronic health record (EHR) data (Joelle Atere-Roberts) Reconsidering the Role of Herbal Medicine Specialists in STI Prevention and Treatment for Adolescents and Young People in Rakai, Uganda (Erin Moore) Health Care Expenditures and Financial Burden Among Same-Sex Couples and Different-Sex Couples in the United States (Kyle Gavulic) How the Community Health Center Program Addresses Poverty, Inequality, and Stigma (Emily Parker)
3:00PM - 4:15PM MDT Traditional Format Live Q&A	Understanding Sources of Health Inequalities Session Chair: Donald Chi, University of Washington Operationalizing Equity: How Are Communities Creating Conditions That Promote Better Health and Opportunity For All? (Olivia Little) Effects of citizenship status and perceived discrimination on health among second-generation immigrant young adults (Kazumi Tsuchiya) Using Archival Sources to Document the Historical Origins of Modern Geographic Health Inequities (Steven Woolf) Social Determinants of Actigraphy-Assessed Sleep Efficiency among Black and White College Students (Thomas Fuller-Rowell)
3:00PM - 4:15PM MDT Traditional Format	Interventions to Improve Health & Well-Being Session Chair: Jennifer Makelarski, University of New England Understanding the utility of the Environmental Justice Collaborative-Solving Model in building capacity to address environmental justice concerns (Dana Williamson) The Public Health Potential of a Clinic-Based Community Resource Referral Intervention (Jennifer Makelarski) The Socioeconomic and Health Impacts of Community Gardens (Bess Bischocho)
3:00PM - 4:15PM MDT Panel Format	Context, Structural Racism, and Birth Outcomes Session Chair: Rachel Kimbro, Rice University Perceived racism, postpartum depression symptoms, and care seeking among non-white individuals delivering in the US, 2015-2017 (Andrew Bossick) Police exposure as a determinant of structural racism: An exploration of the association between preterm birth in neighborhoods with high police exposure (Rachel Hardeman) Pregnancy cardiometabolic risk factors and subsequent adverse birth outcomes: a finite mixture modeling approach (Megan Barry) State and Race/Ethnic Variation in Shifting Gestational Age Distributions (Andrea Tilstra)
4:30PM - 5:30PM MDT	Virtual Poster Session

THURSDAY, OCTOBER 1, 2020**9:00AM - 10:15AM MDT ABSTRACT CONCURRENT SESSIONS**

9:00AM - 10:15AM MDT Traditional Format	Investing in Democracy: Policies and Best Practices to Improve Population Health Session Chair: Selena Ortiz, Penn State SNAP and work-related policies: an in-depth analysis of low-wage worker experiences (Caitlin Caspi) Diversity Policies as Health Policies: A Case Study of Healthcare Workers and Hypertension (Tongtan Chantarat) Political Controversy, Partisanship, and Health Care for the Poor: A Comparative Analysis of U.S. Policies, 1965-1989 (Emily Parker)
9:00AM - 10:15AM MDT Podcast Format	Measurement and Conceptualization in Population Health Science: New Directions in Understanding Inequality Session Chair: Michael Esposito, University of Michigan A cross-disciplinary, systematic review of race and ethnicity in U.S. population health research (Rae Anne Martinez, Nafeesa Andrabi, Andrea Goodwin)
9:00AM - 10:15AM MDT Traditional Format Live Q&A	Environmental and occupational influences on maternal and perinatal health Session Chair: Alison Gemmill, Johns Hopkins University Parental Union Membership and the Risk of Low Birth Weight (Savannah Larimore) Association Between Neighborhood Greenness and Lower Risk of Hypertensive Disorders of Pregnancy (Max Jordan Nguemini Tiako) Race, employment/occupation and breastfeeding duration: Path analysis using the Panel Study on Income Dynamics (Margaret Whitley) Malaria exposure and pregnancy outcomes in Sub-Saharan Africa (Audrey Dorelien)
9:00AM - 10:15AM MDT Panel Format Live Q&A	Stress exposure and health across the life course Session Chair: Lauren Gaydosh, Vanderbilt University The effects of U.S. school racial segregation on long-term cardiovascular health (Min Hee Kim) Cumulative Stress across the lifecourse and adult mental and physical health outcomes (Shakira Suglia) Epigenetic Pathways Linking Prenatal Socioeconomic Disadvantage to Offspring Health: An Examination Among Mothers and Babies in the Born in Bradford Cohort (Amanda Simanek) Double Jeopardy: The Cumulative Toll of Objective and Subjective Weight Status on Health from Early Life to Adulthood (Iliya Gutin) The Effects of Income Dynamics across Childhood on Later-Life Health, Cognition, and Mortality (Jessie Himmelstern)
9:00AM - 10:15AM MDT Podcast Format	Race, Place, and Health Session Chair: Adam Lippert, UC Denver Ranking the rankings: What place do city health rankings have for informing researchers, stakeholders, and policymakers? (Ahuva Jacovowitz) Protective Places: Neighborhood Quality and Preterm Birth among Black Women in Oakland, California (2007-2011) (Rachel Berkowitz) Using latent profile analysis to explore a nationally representative residential neighborhood typology (Jamaica Robinson)

10:30AM - 11:45AM MDT PANEL SESSIONS

10:30AM - 11:45AM MDT Traditional Format Live Q&A	Population Health Perspectives on Residential Displacement: Examining Gentrification, Affordability, and Evictions Session Chair: Katherine Chen, University of California, Los Angeles Measurement Issues in the Study of Gentrification & Displacement (Silvia Gonzalez) Unmet Medical Needs Among Adults Displaced in California's Affordable Housing Crisis (Katherine Chen) Eviction and Adverse Birth Outcomes: Evidence of a Bi-directional Relationship (Kathryn Leifheit) Eviction and Adverse Birth Outcomes: Evidence of a Bi-directional Relationship (Gabriel Schwartz) Displacement Risk and Pre-Displacement Among Lower-Income Tenants in New York City (H. Shellae Versey)
10:30AM - 11:45AM MDT Traditional Format	The Politics and Policy of Early Childhood: Evidence from Media Framing and Public Opinion about Early Childhood Policy Session Chair: Sarah Gollust, University of Minnesota Media Coverage of ACEs: Problems, Solutions, and Populations Affected (Sarah Gollust) The Shady Televised World of Childcare: Local TV Coverage of the Early Childcare Environment (Margaret Tait) Public Opinion about Adverse Childhood Experiences Social Stigma, Attribution of Blame, and Government Responsibility (Jonathan Purtle) Effects of Evidence-Based Message Strategies to Increase Public Support for Early Childhood Education: Results from a Longitudinal Panel Experiment (Jeff Niederdeppe)
10:30AM - 11:45AM MDT Panel Format	Federal Housing Policy as Public Health Policy: Evaluating the Choice Neighborhood Initiative Session Chair: Katherine Dickinson, Colorado School of Public Health Conceptual Framework Linking CNI Redevelopment Project to Health (Katherine Dickinson) National Evaluation of the First Five CNI Awardees (Leah Lozier) Description of Denver's Sun Valley CNI Redevelopment Project (Shaina Burkett) A Longitudinal Impact Evaluation of Denver's Sun Valley CNI Redevelopment Project (Jeremy Auerbach)
10:30AM - 11:45AM MDT Podcast Format	Producing Populations: History and Public Health in the Latinx community Session Chair: Lina-Maria Murillo, University of Iowa Looking back to move forward: History as a Determinant of Health in Marginalized Communities (Jason Daniel-Ulloa) Infant Mortality as Reproductive Violence (Heather Sinclair) Eugenic sterilization and deportation in California, 1920s-1950s: Findings from a collaboration between epidemiologists and historians (Nicole Novak) Family Practice: Cold War Medical Expansion, Baby Booms and the Burdens of Latino Migrant Physicians, 1945-1965 (John McKiernan-Gonzalez)

10:30AM - 11:45AM MDT Podcast Format	<p>Challenging Place and Power: A Discussion of Participatory Research Methods to Transform Local Political Economies of Health Session Chair: Patrice Williams, National Institute of Environmental Health Sciences Poder + Movilidad + Identidad Basada en Lugar = Trabajadores Sociales y Planificadores Urbanos como Aliados de la Justicia Social; Power + Mobility + Place-based Identity= Social Workers and Urban Planners as Social Justice Allies (Monica Gutierrez) Invisible and Unequal: Deconstructing Vulnerability in Unincorporated Communities (Cristina Gomez-Vidal) Applying Feminist Neighborhood Political Ecology to Contextualize Spatial Reproductive Health Inequities (Kristi Roybal) Mapping the Way Forward: Using Photovoice and Story Mapping to Improve Rural Maternal Health (Jennifer Whittaker)</p>
12:00PM - 1:00PM	STUDENT EVENT
Live Session	<p>Effective social media use and online platforms for interdisciplinary scholars Moderator: Matthew Lee, Columbia University Presenters: Rae Anne Martinez, Arrianna Planey, Richard Carpiano</p>
1:00PM - 2:15PM MDT	PLENARY SESSION
1:00PM - 2:15PM MDT Live Q&A	<p>Reaching for Hope in Working-Class America Moderator: Shannon Monnat, Syracuse University Presenter: Sheryl WuDunn</p>
2:30PM - 3:45PM MDT	HOT TOPIC SESSION
Live Session	<p>Dear Pandemic: Nerdy Girls Curating COVID-19 Content For the Greater Good Presenters: Malia Jones, Amanda Simanek, Sandra Albrecht, and Lindsey Leininger</p>
4:00PM - 5:15PM MDT	ABSTRACT CONCURRENT SESSIONS
4:00PM - 5:15PM MDT Traditional Format Live Q&A	<p>Risks and Consequences: Life Course Exposures and their Outcomes Session Chair: Iliya Gutin, University of North Carolina at Chapel Hill Do Sleep Duration Trajectories from Adolescence to Mid-Adulthood Differ by Socioeconomic Background and Race? (Jess Meyer) How much early infectious exposure was experienced by U.S. birth cohorts born 1900-1948? (Elizabeth Wrigley-Field) When does BMI matter most for mortality? (Kaitlyn Berry) Selected, Scarred and Strengthened: The Postwar Survival of World War I Prisoners of War (Evan Roberts)</p>
4:00PM - 5:15PM MDT Traditional Format	<p>Structural Racism & Population Health: Policies, Practices, & Pathways Session Chair: Courtney Boen, University of Pennsylvania Structural racism and pregnancy-related mortality rates in the US: an analysis of county-level data (Rachel Hardeman) Investigating structural racism in Milwaukee: The legacy of historic disinvestment on current lending and health (Helen Meier) Race-based metrics in occupational epidemiology: problems and implications for workers' compensation (Elizabeth McClure) "‘When you’re so used to being exposed to something you think it’s normal’": The Mental Health Implications of Navigating a Racialized Space (Kaleea Lewis) Skin Tone and Mental Health among African Americans and Caribbean Blacks in the U.S. (Christina Bijou)</p>
4:00PM - 5:15PM MDT Live Session	<p>Multiple Levels of Relational Aspects of Health Session Chair: Jimi Adams, UC Denver Linked lives and health: registry-based study of how parents' health shocks change healthcare use of adult children (Lucie Kalousova) Living Alone in Rural Areas: Implications for Health and Wellbeing (Carrie Henning-Smith) Social capital and woman's attitude toward intimate partner violence: Evaluation of norm-shifting intervention in Mozambique (Halkeno Tura)</p>
4:00PM - 5:15PM MDT Traditional Format	<p>Dimensions of Race and Mental Health: Racism, Identity and Resistance Session Chair: Courtney Cogburn, Columbia University Anxiety and Arousal: Individual Differences in Sympathetic Arousal to Racial Discrimination among College Students on a Predominately White Campus (Elizabeth Jelsma) Major and Everyday Discrimination and Self-Rated Health Across Asian and Asian American Subgroups (Harvey Nicholson) Racial identity exploration, political activism, and mental health among Black and Latinx college students (Amel Mathews) Resilience is Associated with Reduced Depression and Anxiety among Latina Immigrant Women (Stephanie Tornberg-Belanger)</p>
4:00PM - 5:15PM MDT Panel Format	<p>Piecing Together the Macro/Structural Influences on Population Health Session Chair: Alicia Riley, University of Chicago State Law Frameworks for CHW Funding, Payment, and Reimbursement (David Washburn) Trends in mental health in response to the U.S. political environment using BRFSS 2014-2018 (Brittany Morey) The Impact of Population Movement on the Mental Health of Older Adults Left Behind in Puerto Rico (Amilcar Matos-Moreno) Integrating sociopolitical contexts and population health with a perspective of work: A conceptual framework and comparisons of work and health between the United States and European Union (Kaori Fujishiro)</p>
5:30PM - 6:30PM MDT	VIRTUAL POSTER SESSION

FRIDAY, OCTOBER 2, 2020**9:00AM - 10:30AM MDT AWARD WINNER PRESENTATIONS**

9:00AM - 10:30AM MDT
 Welcome & Introduction (Fred Zimmerman)
 J. Michael McGinnis Leadership Excellence Award (Nancy Adler)
 IAPHS Mentoring Award (Robert Hummer)
 The Milbank Quarterly Early Career Award in Population Health (Dustin Duncan)
 IAPHS Student Award (Elizabeth Clausing)
 IAPHS Postdoctoral Award (Caitlin Daniel)
 Community Research Partnership Award (Rachel Quianta, Houston Area Urban League)

10:45AM - 12:00PM MDT PANEL SESSIONS

10:45AM - 12:00PM MDT
 Traditional Format
Interdisciplinary Perspectives and Methods for Studying Place, Identity and Maternal Health
Session Chair: Lindsay Fernandez-Rhodes, Pennsylvania State University
 Race and place in a changing rural America: implications for preconception health (Nicole L. Novak)
 Racial Segregation, colorism, and discrimination among expecting Black Mothers (Jaime C. Slaughter-Acey)
 University Park Residential mobility and pregnancy outcomes in Michigan using geocoded maternally-linked natality records, 1990- 2012 (Cristin E. McArdle)
 A community-engaged approach to improving maternal health among Congolese refugees and immigrants in the Midwest (William T. Story)

10:45AM - 12:00PM MDT
 Traditional Format
 Live Q&A
Opportunities and Challenges using Data on Mortality Disparities in American Communities
Session Chair: Gina Lovasi, Drexel University
 An introduction to Mortality Disparities in American Communities (Sean Altekruse)
 Neighborhood Walkability, Active Transportation and Cardiovascular Mortality (Alex Quistberg)
 Individual and Neighborhood Assets and Wealth and their Association with Fatal Injury Risk (Janene Brown)
 Disparities in Mortality and Life Expectancy by Income in US Metropolitan Areas (Usama Bilal)

10:45AM - 12:00PM MDT
 Panel Format
 Live Q&A
Policy surveillance and policy evaluation to promote urban health: Lessons from Latin America and the United States
Session Chair: Katherine Indvik, Drexel University
 Synthetic control method for evaluating road safety policies in Latin America: Sobriety checkpoint expansion and road traffic injuries and deaths in Leon, Mexico (Alex Quistberg)
 Use of policy surveillance methods in complex policy environments (Pricilia Mullachery)
 Agent-based modeling as a tool for policy planning (Brent Langellier)

10:45AM - 12:00PM MDT
 Podcast Format
Critiques of Western Paternalism on Global Health Outcomes
Session Chair: Attia Goheer, Johns Hopkins University
 Global is local: When ignoring local context jeopardizes public health (Denise St. Jean)
 An alternative story: The West Africa Ebola epidemic and strategies for effective healthcare volunteerism (Ezinne Nwankwo)
 Decolonization? Huh. Let's talk about persistent colonization. (Ans Irfan)
 Is open data too open? Data sharing and surveillance policies in the global health context. (Chioma Woko)

12:00PM - 1:00PM MDT NETWORKING EVENT

Live Session
Moving Beyond Lip Service: IAPHS's Initial Conversation on Racial and Social Justice in America
 Co-Chair: Zinzi Bailey, University of Miami
 Co-Chair: Roland Thorpe, Johns Hopkins University

1:00PM - 2:15PM MDT PLENARY SESSION

1:00PM - 2:15PM MDT
 Live Q&A
Corporations and Population Health
 Moderator: Fred Zimmerman, University of California, Los Angeles
 How 21st Century Capitalism Influences Human and Planetary Health (Nicholas Freudenberg)
 Making the World Safe for Coke (Susan Greenhalgh)

2:30PM - 3:45PM MDT HOT TOPIC SESSION

Live Session
State Preemption Laws and Public Health
 Moderator: Jennifer Karas Montez, Syracuse University
 Presenters: Kim Haddow, Eric Batch, Christine Compton, and Mayor Chokwe Antar Lumumba

MEETING ADJOURNED - SAVE THE DATE FOR #IAPHS2021!
October 19-22, 2021 - Baltimore, Maryland
