

IAPHIS POSTER PRESENTER GUIDELINES

Posters cannot exceed 42" x 42". There will be four posters per board, two per side. Push pins will be provided. Poster numbers will be placed on the boards, prior to the poster setup time. Please do not move your poster to another slot. In order to present, all presenters are required to register and pay to attend the conference. A panel of judges will select the top three posters, per session. Poster winners will be awarded a prize and recognition at the conference.
